f AMWU Apprentices

“

Improving wages for apprentices offers young people entering trades a better future. That wouldn't happen without the AMWU. - **Josh Makison, Apprentice Fitter**

”

“

Government policies can have a big impact on standards in our professions. Trades people should decide what is best for trades, not just politicians and bureaucrats. - **Michael Everett, Fitter**

”

“

The AMWU fights for high skill, high wage industries with secure jobs and rewarding careers for Australian workers. Governments and business cannot be left alone to decide our future for us. - **Paul Bastian, National Secretary**
